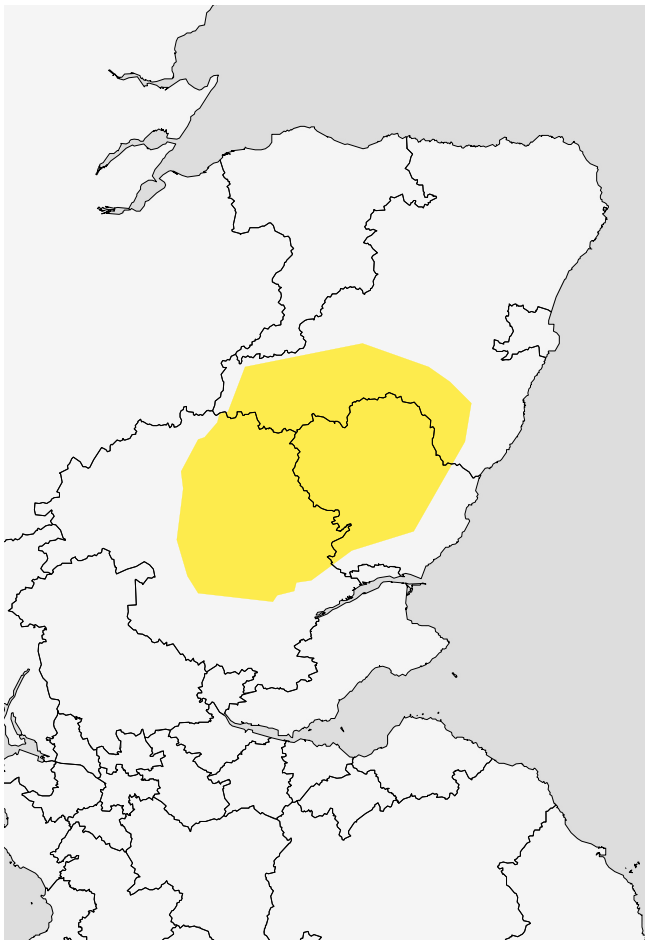
Yellow warning
Rain

Between
21:00 Thu 19 Dec 2019 and
09:00 Fri 20 Dec 2019



Heavy rain causing localised flooding and some travel disruption.

What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and businesses is possible

Further details

Following recent wet weather, another band of heavy rain will arrive on Thursday evening and continue overnight, easing on Friday morning. 20-30mm of rain is likely to fall within 9-12 hours, and this, combined with snowmelt from the hills, will lead to some rising river levels, and the chance of localised flooding.

Medium likelihood of low impacts
